Mr. Cooper,

I am very upset about the Atlantic Pipeline. I see commercials on TV on how it would help NC. Living in the area where the pipeline will be built scares the crap out of me and my family. The commercial say we need the energy but we don't use natural gas. They say it will crate jobs but it is being built by an outside contractor. It does myself and my neighbors no good but could bring us disaster. Please stop them from bring this pipeline through Nash county.

Thank you
